Application Requirement/Description:

The Easter Hill United Methodist Church Men's Association Scholarship Award is given to a young male student attending Easter Hill United Methodist Church. The ideal candidate should actively attend the church and participate in activities of the men's ministry. Candidate from the greater Richmond community may be selected if there are not viable candidates from Easter Hill United Methodist Church. The Scholarship award will normally be given to one eligible student each year; however, the Scholarship Award Committee may grant additional scholarship awards in a given year if there are exceptional candidates and funding is available to support multiple candidates.

The candidate must be a high school senior who has a grade point average (GPA) of 2.5 or greater and planning to enter a certified vocational program or seeking higher education at a community college or four-year college or university. Eligibility is also extended to candidates who serve in the military service immediately after high school graduation. Candidates may retain eligibility up to two years after the candidate's high school graduation date.

Academic Institutions:

The Scholarship award recipient may attend the academic institution of choice as long as the educational institution is accredited by the State College or University Accreditation Association. Community Colleges are accredited by the state regulatory commission.

Scholarship funds will be given to the scholarship award recipient when the recipient show proof of official enrollment at an accredited Technical Education program, College or University and is validated by scholarship chair(s). Continuation of Scholarship Award to Recipient:

The executive committee of the Easter Hill UMC Men's Association has appointed a scholarship committee. The scholarship committee will review the scholarship recipient's academic performance at the end of each grading period. The scholarship award may be renewed if the recipient maintains a 2.5 GPA and satisfactorily completes an average of 12 semester units.

To be eligible for scholarship funding for the next semester, the scholarship award recipient must submit official transcripts from the admissions and records office, sealed and addressed to the scholarship chair(s), of the most recent grading period for review by the men's scholarship committee within a reasonable amount of time following the end of the grading period.
